Verse (16 Bars)

G#m	G#m7	E	F# G#m7
It's been a while since the two of us talked	About a week since the day that you walked	Knowing things would never be the same	With your empty heart & mine full of pain So
explain to me, how it came to this	Take it back to the night we kissed	It was Dublin city on a Friday night	You were vodkas & Coke, I was Guinness all
night We were sitting with our backs	against the world Saying things that we never heard	Woah	Who would have thought it would end up like this?
Where everything we talked	about is gone And the only chance we have of moving on	Is try to take it	back Before it all went

Chorus (8 Bars)

E	F#	G#m	G#m7
wrong Before the worst,	Before we Mend	Before our hearts decide	It's time to love
again Before too late,	Before too Long	Lets try to take it back	Before it all went wrong

Verse (16 Bars)

G#m	G#m7	E	F# G#m7
There was a time, that we'd stay up all night	Best friends talking till the daylight	Took the joys alongside the pain	With not much to lose, but so much to gain. Are you
hearing me? Cause I don't wanna	miss, Set you a drift on memory bliss. It was Grafton Street on a rainy night.	I was down on one knee and you were mine for	Who would have thought it would end up like this?
life We were thinking we would never	be a part With your name tattooed across my heart	Woah	Who would have thought it would end up like this?
Where everything we talked	about is gone And the only chance we have of moving on	Is try to take it	back Before it all went

Chorus (8 Bars)

E	F#	G#m	G#m7
wrong Before the worst,	Before we Mend	Before our hearts decide	It's time to love
again Before too late,	Before too Long	Lets try to take it back	Before it all went
