

Horn-Fueled Classic Rock, Rhythm & Blues

Playing only the best classic rock and horn driven rhythm and blues, Live at Nine offers a live music experience like no other. This band features eight talented musicians who have played in the Southeastern Wisconsin music scene for years; their catalog of great music spans the 60s to the present day. With unique saxophone, trumpet, guitar, bass, drums, keys and a host of auxiliary percussion, many great tunes can be faithfully reproduced in a way that most bands simply cannot match. Live at Nine makes every song their own!

Established in 2004, Live at Nine has built a solid fan base by performing across the Mid-West. The band had over 50 shows, playing in Iowa, Michigan, Wisconsin and Illinois, in the last year alone. In addition, Live at Nine has been repeatedly invited back to many annual Blues Festivals as well as the Wisconsin State Fair. The band opened for national act Everclear at Milwaukee's Summerfest music festival.

We had Live at Nine play for the Harley Davidson's 110th Anniversary bash. The crowd absolutely loved them!
